**1. Definitions**

In these regulations a word or expressions defined in the Act has that meaning and, unless the context otherwise indicates-

“**the Act**” means the Controlled Wildlife Products and Trade Act, 2008 (Act [No. 9 of 2008](#)).

**2. Application for a permit**

- (1) A person who wants to import, export, re-export or re-introduce from the sea any species listed in the Appendices of the Convention, including live specimens as well as parts and derivatives must apply to the CITES Office, by fully completing the application form provided by the Ministry set out in the Annexure A.
- (2) An application for any CITES permit must be submitted to the CITES Office of the Ministry five working days prior to the import, export, re-export or introduction from the sea of any wildlife specimen.

**3. Conditions of CITES permits**

- (1) A CITES permit is valid for a single consignment only.
- (2) Each permit or certificate issued in terms of these regulations in respect of the import, export, re-export or introduction from the sea of any wildlife specimen referred to in CITES Appendix I and II must bear-
  - (a) the title of the Convention;

- (b) the title and identifying stamp of the Minister; and
  - (c) a number assigned to the permit or certificate by the Minister.
- (3) A permit or certificate issued by the Minister for the import, export, re-export or introduction from the sea of any wildlife specimen referred to in CITES Appendix I and II, in addition to the matters specified in subregulation (2), must contain the following information-
- (a) the full name and address of the person or company to whom the permit or certificate, whichever is applicable, is issued;
  - (b) the name "Namibia", as being the country of export;
  - (c) the name of the country to which and the name and address of the person to whom, the wildlife specimen concerned is being consigned; and
  - (d) in relation to any wildlife specimen which is being exported-
    - (i) the scientific and common names of the species concerned;
    - (ii) in the case of living specimens for wild life, the number of specimens, their sex, size and details of any identifying marks;
    - (iii) in the case of parts or derivatives of wildlife, their quantity, type and any identifying marks;
    - (iv) the Appendix to the Convention in which the species concerned is listed; and
    - (v) where known, whether or not the wildlife concerned was bred in captivity, ranched or cultivated in Namibia.
- (4) Any copy of a permit or certificate issued must be clearly marked as such, and may be used in place of the original only to the extent specified therein.
- (5) Any alteration, addition or deletion made to the permit or certificate issued in terms of subsection (1) or (2) is only valid, if such alteration, addition or deletion is authenticated by the stamp and signature of the Minister.
- (6) A permit issued by the Minister for re-export, import and re-introduction from the sea of any wildlife specimen ceases to be valid after the period specified therein lapses, unless it has been earlier revoked in terms of subregulation 8.
- (7) A permit or certificate is not transferable, and any purported transfer of a permit or certificate is void, provided that nothing in this section prevents the holder of a permit or certificate from appointing any other person as her or his agent for the purposes of importing or exporting the wildlife specimen concerned.
- (8) The Minister may, at any time amend or revoke any permit or certificate issued by her or him in accordance with this Act.

#### **4. Packaging of live animals**

- (1) A person transporting a live animal listed in the CITES Appendix I and II must transport it in such a way that-
- (a) it cannot escape from the vehicle in or on which it is transported;
  - (b) it is not subjected to maltreatment;
  - (c) it cannot injure any other game or wild animal which is transported together with it; and
  - (d) it can get sufficient rest during the journey.

- (2) The transport of live animals by air is subject to International Air Transport Association (IATA) regulations.

## **5. Procedures to be followed when CITES specimen are imported, exported or introduced from the sea**

- (1) Any person authorised to import, re-export or re-introduce from the sea any wildlife specimen must report back to the CITES Office, within 14 days after such import, re-export and re-introduction from the sea of any wildlife specimen.
- (2) The Minister may, by notice in writing, require any person who has been issued with a permit to import, re-export or re-introduction from the sea any CITES listed animal in terms of these regulations, to keep records or registers and to report to the Minister any information relating to the management or care of any wildlife specimens to which the permit or certificate relates.

## **6. Application for manufacturer or dealer's licence**

- (1) A person who intends to obtain a controlled wildlife products manufacturer's licence or a dealer's licence may apply to the CITES Office for such licence, by filling in an application set out in Annexure B.
- (2) An application referred to in subregulation (1) must-
  - (a) for an application for a dealer's licence, be accompanied by a certified copy of his or her general dealer's licence;
  - (b) for an application for a manufacturer licence, be accompanied by-
    - (i) a certified copy of the municipality certificate that allows for the storage and manufacturing of controlled wildlife products on the premises concerned;
    - (ii) documentation to prove that the applicant has experience in manufacturing of articles from controlled wildlife products; and
    - (iii) a list of the kind of articles to be manufactured.

## **7. Terms and conditions of controlled wildlife products dealer and manufacturer licence**

- (1) Subject to the provisions of this regulation, a controlled wildlife products dealer's licence authorises the holder of such licence-
  - (a) to purchase items manufactured out of specified controlled wildlife products from any person who has a certificate or permit issued in terms of this regulations to sell such items; and
