Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 Act 36 of 1947

[Published in South African Government Gazette 3834 on 18 June 1947](#)

[Assented to on 3 June 1947](#)

[Commenced on 1 July 1972](#)

[\[This is the version of this document from 10 June 1977 and includes any amendments published up to 15 November 2024.\]](#)

[\[Amended by Fertilizers, Farm Feeds, Seeds and Remedies Amendment Act, 1950 \(Act 48 of 1950\) on 7 July 1950\]](#)

[\[Amended by Seeds Act, 1961 \(Act 28 of 1961\) on 2 March 1962\]](#)

[\[Amended by Fertilizers, Farm Feeds and Remedies](#)

[\[Amendment Act, 1970 \(Act 60 of 1970\) on 6 November 1970\]](#)

[\[Amended by Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Amendment Act, 1972 \(Act 17 of 1972\) on 1 July 1972\]](#)

[\[Amended by Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Amendment Act, 1977 \(Act 24 of 1977\) on 10 June 1977\]](#)

[\[brought into force in South West Africa on 1 July 1972, when amendments made by Act 17 of 1972, including the insertion of a new section 24, were brought into force\]](#)

[\[APPLICABILITY TO SOUTH WEST AFRICA: Section 1, as amended by Act 17 of 1972, defines “Republic” to include “the territory of South West Africa”. Section 24, as inserted by Act 17 of 1972, states: “This Act and any amendment thereof shall apply also in the territory of South West Africa, including the Eastern Caprivi Zipfel.”\]](#)

[\[TRANSFER TO SOUTH WEST AFRICA: The administration of the Act was transferred to South West Africa by the Executive Powers \(Agricultural Technical Services\) Transfer Proclamation, AG 11 of 1978, dated 2 March 1978. The only South African amendment to the Act after the date of transfer and prior to Namibian independence – the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Amendment Act 4 of 1980 \(RSA GG 6907\) – did not apply to South West Africa because it was not made expressly so applicable.\]](#)

[\[Section 3\(1\)\(b\) of the transfer proclamation excluded section 2 of the Act from the operation of section 3\(1\) of the Executive Powers Transfer \(General Provisions\) Proclamation, AG 7 of 1977, meaning that this section of the Act continued to be administered by the South African Minister of Agriculture prior to Namibian independence. The transfer proclamation also](#)

excluded the reference to “Republic” in section 16(1) from the operation of section 3(1) of the Executive Powers Transfer (General Provisions) Proclamation, AG 7 of 1977, meaning that in this section “Republic” retained the meaning it was given in the definition section of the Act (South Africa and the territory of South West Africa) prior to Namibian independence.]

[The Act was amended by the Animal Slaughter, Meat and Animal Products Hygiene Amendment [Act 13 of 1975](#) (RSA) (RSA GG 4632). However, this Act was never brought into force in South Africa or South West Africa. The portions of the amending Act relevant to [Act 36 of 1947](#) (section 16 and the Schedule to [Act 13 of 1975](#)) were repealed by the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Amendment [Act 4 of 1980](#) (RSA GG 6907), but this repeal was not effective in respect of South West Africa because it occurred after the date of transfer and was not made expressly applicable to South West Africa.]

[Section 15 of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Amendment [Act 24 of 1977](#) (RSA), which substitutes section 16 of [Act 36 of 1947](#), was brought into force in South Africa on 3 October 1980 by RSA Proc. R.189/1980 (RSA GG 7243). This date is after the date of transfer of [Act 36 of 1947](#). Therefore, in terms of section 3(4) of the Executive Powers Transfer (General Provisions) Proclamation, AG 7 of 1977, section 15 of the amending Act was not thereby brought into force in South West Africa because the proclamation in question did not contain an express statement that it was issued with the consent of the Administrator-General and that it applied also in the territory. Section 3(1)(g) of the transfer proclamation exempted section 23 of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Amendment [Act 24 of 1977](#) (regarding the State President’s power to fix a date on which the amending Act will come into force by proclamation in the *Government Gazette*) from the operation of section 3(1) of the General Proclamation. However, this exemption would not seem to be sufficient to override the requirement in section 3(4) of AG 7 of 1977 that “Any proclamation... which is issued or made after the commencement of any transfer proclamation by... the State President... under a law which at such commencement applies both in the territory and in the Republic, and which is published in the *Government Gazette* of the Republic, shall, notwithstanding the provisions of subsection (1), apply in the territory if such proclamation... contains a statement that it was or is issued or made with the consent of the Administrator-General, and applies also in the territory...”. Therefore, the amendment to section 16 of [Act 36 of 1947](#) by [Act 24 of 1977](#) has not been incorporated here.]

[The Act was also amended by the Namibian Medicines and Related Substances Control [Act 13 of 2003](#) (GG 3051), brought into force on 25 July 2008 by [GN 177/2008](#) (GG 4088) in terms of section 47 read together with the Schedule. These amendments would have removed “stock remedies” from the Act’s coverage. However, section 47 of [Act 13 of 2003](#) was amended by the Namibian Medicines and Related Substances Control Amendment [Act 8 of 2007](#) (GG 3968), brought into force on 1 August 2008 by [GN 187/2008](#) (GG 4091). The amended section states in relevant part that “all amendments to the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 ([Act No. 36 of 1947](#)), contained in the Schedule are repealed”. Thus, it appears that the amendments to [Act 36 of 1947](#) by [Act 13 of 2003](#) are no longer applicable and they have accordingly not been incorporated here.]
