Duty of prospector to report discovery of precious stones.

(2) 'n Afskrif van so 'n verklaring tesame met die edelgesteentes daarin vermeld, moet ook vir ondersoek aan die hoof van die diamantafdeling of iemand deur hom aangewys, voorgelê word.

(3) 'n Prospekterder wat nalaat om aan 'n bepaling van hierdie artikel te voldoen of in 'n verklaring ingevolge sub-artikel (1) 'n bewering maak wat in 'n wesenlike opsig vals is, met die wete dat dit vals is, is aan 'n misdryf skuldig en by skuldigbevinding strafbaar met 'n boete van hoogstens honderd rand.

(4) Indien 'n prospekterder aan so 'n misdryf skuldig bevind word, kan die Minister enige regte wat die prospekterder kragtens hierdie Wet toegeval het ten opsigte van die ontdekking van edelgesteentes op die betrokke grond of enige regte wat aan hom toegeken is ten gevolge van so 'n valse verklaring, verbeurd verklaar.

Mynkommissaris kan beveel dat sekere werk uitgevoer word.

12. (1) Indien die mynkommissaris dit te eniger tyd nodig ag om te bepaal of die materiaal wat deur 'n prospekterder uitgegrawe is, edelgesteentes in voldoende hoeveelhede bevat om die proklamering van die betrokke grond tot 'n alluviale delwery te regverdig, kan hy met goedkeuring van die Minister die prospekterder beveel om met die toerusting wat tot sy beskikking is of wat deur die mynkommissaris voorsien word, die was- of ander werksaamhede uit te voer wat die mynkommissaris nodig ag.

(2) Sodanige werk moet tot bevrediging van die mynkommissaris en onder sy toesig of dié van iemand deur hom aangewys, uitgevoer word, en die koste daaraan verbonde word bestry uit gelde wat die Parlement vir die doel bewillig het.

13. (1) Wanneer die mynkommissaris oortuig is dat 'n prospekterder by enige plek edelgesteentes ontdek het wat op natuurlike wyse in daardie plek voorkom, en dat daar redelike gronde bestaan om te vermoed dat sodanige edelgesteentes by daardie plek in lonende hoeveelhede aanwesig is, reik hy aan die prospekterder 'n sertifikaat in die by regulasie voorgeskrewe vorm uit wat hom die reg gee—

(a) in die geval van edelgesteentes in alluviale grond, om op die betrokke grond—

(i) indien die grond Staatsgrond of vervreemde Staatsgrond is, vyftig kleims uit te kies; of

(ii) indien die grond private grond is, tweehonderd kleims uit te kies;

(b) in die geval van edelgesteentes in 'n myn op Staatsgrond, op 'n twee-vyfde onverdeelde aandeel in daardie myn;

(c) in die geval van edelgesteentes in 'n myn op vervreemde Staatsgrond of private grond, op 'n aandeel gelyk aan een-vyfde van die aandeel in daardie myn waarop die eienaar of huurder van die grond of die houer van die reg op edelgesteentes ten opsigte daarvan ingevolge artikel *sewentien* geregtig is:

Met dien verstande dat so 'n sertifikaat nie uitgereik word ten opsigte van vervreemde Staatsgrond wat deur 'n huurder gehou word tensy 'n grondbrief of transportakte ten opsigte van die grond uitgereik is nie.

(2) By die toepassing van sub-artikel (1) beteken „grond”, met betrekking tot private grond, enige stuk grond ten opsigte waarvan die reg op edelgesteentes afsonderlik in die gepaste aktekantoor geregistreer is, of enige stuk grond wat in so 'n aktekantoor geregistreer is sonder afsonderlike registrasie van die reg op edelgesteentes.

(3) Enige kleims waarop die houer van die ontdekkersertifikaat kragtens paragraaf (a) van sub-artikel (1) geregtig is, moet binne die deur die mynkommissaris skriftelik vasgestelde tydperk, wat nie minder as dertig dae mag wees nie, oor die uitgrawings waar die ontdekking gedoen is, afgepen word in een blok waarvan die lengte nie twee keer die breedte daarvan oorskry nie, en bedoelde houer moet binne die tydperk aldus vasgestel of die verdere tydperk wat die mynkommissaris toelaat, aan die mynkommissaris 'n sketskaart van bedoelde kleims verstrek wat die mynkommissaris aanneemlik vind.

(4) By die uitreiking van 'n sertifikaat kragtens hierdie artikel aan 'n prospekterder wat edelgesteentes in alluviale grond ontdek het, of, in die geval van 'n ontdekking van edelgesteentes op vervreemde Staatsgrond deur 'n huurder gehou en ten opsigte waarvan 'n grondbrief of transportakte nog nie uitgereik is nie, by ontvangs deur die betrokke prospekterder van 'n skriftelike kennisgewing van die mynkommissaris waarby hy gelas dat

(4) If a prospector is convicted of such an offence the Minister may declare forfeited any rights which may have accrued to the prospector under this Act in respect of the discovery of precious stones on the land in question or any rights that may have been granted to him in consequence of any such false declaration.

12. (1) If at any time the mining commissioner deems it necessary to determine whether the material excavated by any prospector contains precious stones in sufficient quantities to justify proclamation as an alluvial digging of the land in question, he may with the approval of the Minister order the prospector to carry out with the plant at his disposal or provided by the mining commissioner such washing or other operations as the mining commissioner may consider necessary.

Mining commissioner may order certain operations to be carried out.

(2) Such operations shall be carried out to the satisfaction of the mining commissioner and under his supervision or under the supervision of a person designated by him, and the cost thereof shall be defrayed out of moneys appropriated by Parliament for the purpose.

(3) Any prospector who refuses or fails to comply with any such order shall be guilty of an offence and liable on conviction to a fine not exceeding two hundred rand.

13. (1) When the mining commissioner is satisfied that a prospector has at any place discovered precious stones occurring naturally in that place and that there are reasonable grounds for believing that such precious stones exist at the said place in payable quantities, he shall issue to the prospector a certificate in the form prescribed by regulation entitling him—

(4) On the issue of a certificate under this section to a prospector who has discovered precious stones in alluvial, or, in the case of a discovery of precious stones on alienated State land held by a lessee in respect of which a deed of grant or deed of transfer has not yet been issued, upon the receipt of a notice in writing from the mining commissioner by the pros-

(3) Indien daar nie aan 'n kennisgewing kragtens sub-artikel (2) voldoen word nie, en indien die eerste betaling van lisensiegelde ten opsigte van die betrokke kleims nie binne drie maande vanaf die datum van bedoelde kennisgewing geskied nie, verval die kleims, en kan hulle, indien op geproklameerde grond, daarna deur die mynkommissaris by kennisgewing op 'n opvallende plek by sy kantoor opgeplak, vir afpenning oop verklaar word.

(5) Any holder of a discoverer's certificate under this section in respect of a discovery of precious stones in alluvial who has complied with the provisions of sub-section (3) shall, upon receipt of the written approval of the mining commissioner of the sketch plan mentioned in that sub-section, be entitled to dig for precious stones on the claims to which such certificate relates.

Proklamerings van alluviale delwery.

23. (1) Wanneer die Staatspresident oortuig is dat daar redelike gronde bestaan om aan te neem dat edelgesteentes in alluviale grond in lonende hoeveelhede op Staatsgrond of vervreemde Staatsgrond of op private grond bedoel in sub-artikel (2) van artikel dertien aanwesig is, kan hy na goeddunke bedoelde grond of enige gedeelte daarvan wat na sy oordeel sal blyk edelgesteentes te bevat of vir die doeleindes verbonde aan die win van dié edelgesteentes nodig sal wees, laat afbaken, en kan hy daarna by proklamasie in die *Staatskoerant* die aldus afgebakende gebied tot 'n alluviale delwery proklameer. Met dien verstande dat geen grond aldus geproklameer word nie solank enige ondekkerssertifikaat of eienaarssertifikaat waarop iemand kragtens hierdie Wet ten opsigte van die grond geregtig is, nog nie uitgereik is nie.

(11) In the event of the discovery of precious stones in a mine in the course of prospecting or digging operations carried on in pursuance of any such agreement, the provisions of this Act shall *mutatis mutandis* apply as if such discovery had been made in the course of prospecting operations carried out under Chapter I of this Act.

(12) An agreement entered into under this section shall not be deemed to be a mining lease for the purposes of paragraph (b) of section *fifteen* of the Income Tax Act, 1962 (Act No. 58 of 1962).

(13) (a) Any such agreement shall be subject to the production to the mining commissioner of the title deed of the alienated State land or private land in respect of which the agreement is entered into.

21. (1) Whenever precious stones are discovered in any part of the sea or in alluvial on State land situated in an area in which in the opinion of the Minister digging by individual diggers is not feasible, the Minister may, if he is satisfied that such precious stones occur in payable quantities in the place where the discovery was made, and subject to the rights of the discoverer, enter into a mining lease with the holder of the prospecting lease in question or any other person for the winning of precious stones from the part of the sea or the land in question or any portion thereof.

Mining leases over portions of the sea and certain State land.

CHAPTER IV.

PROCLAMATION OF ALLUVIAL DIGGINGS AND RESERVATIONS IN FAVOUR OF OWNERS OR LESSEES OF LAND.

22. (1) The Minister may, at any time after a discovery of precious stones has been made, take such steps as he may deem fit for the purpose of testing or otherwise ascertaining the extent of the area in which such precious stones occur and whether such precious stones exist in that area in payable quantities, and may call upon the prospector who made the discovery to place his plant at the disposal of the Minister for this purpose and to furnish such information relating to the discovery as the Minister may require.

Testing of alleged discoveries.

(2) The cost of an investigation by the Minister under this section shall be defrayed out of moneys appropriated by Parliament for the purpose.

(3) Any prospector who fails to comply with any requirements of the Minister under this section shall be guilty of an offence and liable on conviction to a fine not exceeding two hundred rand.

23. (1) Whenever the State President is satisfied that there are reasonable grounds for believing that precious stones in alluvial exist in payable quantities on any State land or alienated State land or on any such private land as is referred to in sub-section (2) of section *thirteen*, he may in his discretion cause such land or any portion thereof which in his opinion will be found to contain precious stones or will be needed for purposes incidental to the winning of such precious stones, to be beaconsed off, and may thereafter by proclamation in the *Gazette* proclaim the area so beaconsed off an alluvial digging: Provided that no land shall be so proclaimed so long as any discoverer's certificate or owner's certificate to which any person may be entitled under this Act in respect of the land has not been issued.

Proclamation of alluvial digging.

(2) Geen sodanige private grond waarop die houer van die reg op edelgesteentes nie geprospekteer het of prospektering toegelaat het nie, of ten opsigte waarvan hy nie andersins toegestem het dat dit soos voormeld geproklameer word nie, word ingevolge hierdie artikel geproklameer nie.

(3) Indien grond wat kragtens hierdie artikel tot 'n alluviale delwery geproklameer is vir die afpenning van kleims oop verklaar word, moet die datum en uur waarop dit vir sodanige afpenning oop is in die proklamasie vermeld word.

(4) Die mynkommissaris laat 'n sketskaart opstel van enige stuk grond wat kragtens hierdie artikel geproklameer staan te word, en bedoelde sketskaart moet in sy kantoor en in die Mynbriewekantoor bewaar word en vir insae deur die publiek beskikbaar wees.

Voorbehoude aan die eienaar van grond.

24. (1) Voordat grond kragtens artikel *drie-en-twintig* tot 'n alluviale delwery geproklameer word, word daar vir die vrye en ongestoorde gebruik van die eienaar van die betrokke grond uitgehou—

- (a) enige woning op die grond en sy omliggende werf;
- (b) alle geboue wat voordelig gebruik kan word, begraafplase, voerkuile, dorsterreine, dipbakke, opgaardamme, watertrôe en krale wat buite enige sodanige woning en sy omliggende werf geleë is;
- (c) alle gedeeltes van die grond wat onmiddellik voor die datum van die in sub-artikel (2) van hierdie artikel bedoelde kennisgewing onder *bona fide*-verbouing was; en
- (d) alle fonteine, putte, boorgate en damme op die grond.

(2) Die mynkommissaris moet aan bedoelde eienaar skriftelik kennis gee van die voorneme om die grond aldus te proklameer, en by ontvangs van bedoelde kennisgewing moet die eienaar onverwyld aan die mynkommissaris 'n sketskaart voorlê waarop alle gedeeltes van die grond duidelik aangetoon word ten opsigte waarvan hy verlang dat dit kragtens sub-artikel (1) van hierdie artikel uitgehou word.

(3) Die mynkommissaris moet, onderworpe aan 'n reg van appél na die Minister, wie se beslissing afdoende is, bepaal watter gedeeltes van die grond aldus uitgehou moet word, hetsy 'n sketskaart aldus voorgelê is al dan nie, en daardie gedeeltes moet voordat die betrokke proklamasie uitgereik word, deur die eienaar afgebaken word.

Deproklamerings van alluviale delwery.

25. (1) Die Staatspresident kan by proklamasie in die *Staatskoerant* enige alluviale delwery, of 'n gedeelte daarvan, deproklameer indien dit vir die Minister blyk dat edelgesteentes nie in lonende hoeveelhede daarop gevind word nie of indien daar volgens die Minister se oordeel ander gronde bestaan waarom dit raadsaam of wenslik is om dié delwery of gedeelte daarvan te deproklameer.

(2) Die Staatspresident kan in 'n proklamasie waarby grond as 'n alluviale delwery gedeproklameer word, die voorsiening maak wat vir hom wenslik blyk—

- (a) vir die beskerming van enige openbare geboue of plekke van aanbidding wat wettiglik op die grond opgerig is; en
- (b) vir die ander redelike doeleindes wat vir hom nodig blyk om voorsiening te maak vir omstandighede wat uit die deproklamerings van die grond ontstaan.

(3) By die deproklamerings van 'n alluviale delwery, word kleims wat ten tyde van die deproklamerings daarop bestaan, nie deur die deproklamerings geraak nie: Met dien verstande dat wanneer sodanige kleims ooreenkomstig die bepalinge van hierdie Wet verval, die grond waaruit die kleims bestaan, geag word gedeproklameer te wees.

Proklamerings van grond moet in aktekantoor aangetoon word.

26. Wanneer grond ingevolge artikel *drie-en-twintig* geproklameer of ingevolge artikel *vyf-en-twintig* gedeproklameer word, moet die mynkommissaris daarvan kennis gee aan die betrokke registrateur van aktes wat—

- (a) die inskrywings op die betrokke titelbewyse en in die toepaslike registers moet maak wat nodig is om duidelik aan te toon dat die grond geproklameer of gedeproklameer is, na gelang van die geval; en

(2) No such private land on which the holder of the right to precious stones has not prospected or allowed prospecting to take place or to the proclamation of which, as aforesaid, he has not otherwise consented, shall be proclaimed under this section.

(3) If land proclaimed an alluvial digging under this section is declared open to the pegging of claims, the date and hour at which it shall be open to such pegging shall be stated in the proclamation.

(4) The mining commissioner shall cause a sketch plan to be prepared of any area of land to be proclaimed under this section and such plan shall be filed in his office and in the Mining Titles Office and shall be open to inspection by the public.

24. (1) Before any land is proclaimed an alluvial digging under section *twenty-three* there shall be reserved for the free and undisturbed use of the owner of the land in question—

- (d) all springs, wells, boreholes and dams on the land.

(2) The mining commissioner shall give notice in writing to such owner of the intention so to proclaim the land, and upon receipt of such notice the owner shall forthwith submit to the mining commissioner a sketch plan showing clearly all portions of the land which he desires to have reserved in terms of sub-section (1) of this section.

(3) The mining commissioner shall, subject to a right of appeal to the Minister whose decision shall be final, determine which portions of the land shall be so reserved, whether or not any sketch plan has been so submitted, and such portions shall prior to the issue of the relevant proclamation be beaconed off by the owner.

25. (1) The State President may by proclamation in the *Gazette* deproclaim any alluvial digging, or any part thereof, if it appears to the Minister that precious stones are not being found thereon in payable quantities or if there are other grounds which in the opinion of the Minister render it expedient or desirable that such digging or part thereof be deproclaimed.

Deproclamation
of alluvial
digging.

(2) In any proclamation whereby land is deproclaimed as an alluvial digging the State President may make such provision as may appear to him to be desirable—

- (a) for the protection of any public buildings or places of worship lawfully erected on the land; and
- (b) for such other reasonable purposes as may appear to him to be necessary to meet the circumstances arising from the deproclamation of the land.

(3) On the deproclamation of an alluvial digging, claims existing thereon at the time of deproclamation shall not be affected by such deproclamations. Provided that when such claims lapse in accordance with the provisions of this Act the land comprising the claims shall be deemed to be deproclaimed.

26. Whenever any land is proclaimed under section *twenty-three* or is deproclaimed under section *twenty-five* the mining commissioner shall notify the registrar of deeds concerned who shall—

Proclamation of
land to be re-
flected in
deeds registry.

- (a) make such entries on the title deeds in question and in the appropriate registers as may be necessary adequately to reflect that the land is proclaimed or has been deproclaimed, as the case may be; and
- (b) in the case of deproclamation of land, take cognizance of any provisions made in accordance with sub-section (2) of section *twenty-five*.

Weiering of
intrekking
van delwer-

(2) Wanneer by verrigtinge ingevolge hierdie Wet bewys word dat 'n persoon teenwoordig was op of in enige perseel waarop of waarin die besigheid van 'n winkel of 'n kantoor gedryf of bestuur was of in beheer was van enige voertuig wat in verband met sodanige winkel of sodanige kantoor gebruik word, hetsy daardie voertuig op daardie tydstip bestuur was al dan nie, word daardie persoon, tensy die teendeel bewys word, vermoed 'n werknemer te wees.

(3) Benewens enige tydperk waarin hy werklik aldus werkzaam is, word 'n werknemer geag in die diens van 'n werkgewer werkzaam te wees—

- (a) gedurende enige tydperk waarin hy ooreenkomstig die vereistes van sy werkgewer aanwesig is op of in enige perseel waarop of waarin die besigheid van 'n winkel of 'n kantoor waarin hy in diens is, gedryf of bestuur word;

- (c) gedurende enige tydperk waarin hy in beheer is van 'n voertuig wat gebruik word in verband met sy werkgewer se winkel of kantoor, hetsy die voertuig bestuur word al dan nie:

Met dien verstande dat as bewys word gedurende watter gedeelte van 'n in paragraaf (b) of (c) bedoelde tydperk so 'n werknemer werklik in sy diens gewerk het, die vermoede wat by hierdie sub-artikel geskep word, nie ten opsigte van daardie werknemer met betrekking tot daardie tydperk van toepassing is nie.

(4) By enige verrigtinge ingevolge hierdie Wet, is 'n verklaring of inskrywing wat voorkom in enige boek of stuk wat deur 'n werkgewer, of deur sy bestuurder, agent of werknemer gehou word, of wat gevind word op of in 'n perseel wat deur daardie werkgewer geokkupeer word, of op of in 'n voertuig wat in die

- (c) it was not under any condition or in any circumstance within the scope of the authority or in the course of the employment of the manager, agent or employee to do or omit to do an act, whether lawful or unlawful, of the character of the act or omission charged,

the employer shall be presumed himself to have done or omitted to do that act and be liable to be convicted and sentenced in respect thereof; and the fact that the employer issued instructions forbidding any act or omission of the kind in question shall not, of itself, be sufficient proof that he took all reasonable steps to prevent the act or omission.

(2) Whenever any manager, agent or employee of any employer does or omits to do any act which it would be an offence under this Act for the employer to do or omit to do, he shall be liable to be convicted and sentenced in respect thereof as if he were the employer.

(3) Either the employer or the manager, agent or employee or both of them, may be so convicted and sentenced.

(4) Whenever the manager, agent or employee of an employer is convicted of an offence referred to in sub-section (1) of section *seventeen*, the court shall make an order against the employer under section *eighteen*, and the provisions of this Act relating to such orders shall *mutatis mutandis* be applicable; but no such order shall be made against any such manager, agent or employee.

29.
