About this collection

The legislation in this collection has been reproduced as it was originally printed in the Government Gazette, with improved formatting and with minor typographical errors corrected. All amendments have been applied directly to the text and annotated. A scan of the original gazette of each piece of legislation (including amendments) is available for reference.

This is a free download from the Laws.Africa Legislation Commons, a collection of African legislation that is digitised by Laws.Africa and made available for free.

Public and Environmental Health Act, 2015

Declaration of COVID-19 as Formidable Epidemic Disease **Government Notice 232 of 2020**

[Published in Government Gazette 7338 on 17 September 2020](#)

Assented to on 17 September 2020

Commenced on 17 September 2020

**[This is the version of this document from 17 September 2020
and includes any amendments published up to 23 August 2024.]**

Under section 22(2) of the Public and Environmental Health Act, 2015 (Act [No. 1 of 2015](#)), I declare the severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) known as COVID-19 to be a formidable epidemic disease for purposes of that Act.

Dr. K. Shangula

Minister of Health and Social Services
