**Stubenrauch Planning Consultants cc** on behalf of the registered owner of Erf 860, Omuthiya Extension 3, in terms of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018) herewith inform you that we have applied to the Omuthiya Town Council and intend on applying to the Urban and Regional Planning Board for the following:

- **Rezoning of Erf 860, Omuthiya Extension 3 from “single residential” with a density of 1:600 to “general residential” with a density of 1:300;**

Erf 860, Omuthiya, is located within the neighbourhood of Omuthiya Extension 3, within a walking distance from the Oshikoto Regional Council and the Ministry of Information and Communication and Technology. Erf 860, Omuthiya Extension 3 measures approximately 980m<sup>2</sup> in extent and is currently zoned “residential” with a density of 1:600 in accordance with the Omuthiya Zoning Scheme.

REZONING OF ERF 1500, HENTIES BAY EXTENSION 7

**Namplan Town Planning Consultants and Projects cc**, on behalf of our client, intends to apply to the Henties Bay Municipal Council for:

### **Rezoning of Erf 1500, Henties Bay Extension 7 from “light industrial” to “institutional”.**

Erf 1500 currently measures 1350m<sup>2</sup> in extent and is located in Sand Street located in Henties Bay Extension 7. The erf currently accommodates the Private Christian Academy School. The reason for the proposed rezoning stems from the fact that Erf 1500 currently accommodates a “light industrial” zoning and according to the Henties Bay Zoning Scheme, a school is only allowed as a secondary use with consent from Council which was already obtained. Our client would however like to rezone the property in order to minimize the high property taxes associated with a “light industrial” zoned erf as well as to have the school as a primary right on the property and not a secondary right. In order for our client to proceed with the proposed intentions it is required to rezone the erf to “institutional”.

Take note that –

- (a) The plan of the erf can be inspected at the Public Notice Board of the Henties Bay Municipality located on the corner of Nickey Iyambo and Jakkalsputz Streets; and
- (b) Any person having objections to the proposed rezoning or who wants to comment thereon, may lodge such objections and comments, together with the grounds thereof, in writing and addressed to the Chief Executive Officer of the Henties Bay Municipality and the applicant within 14 days of publication of this notice.

Written objection must be forwarded within the prescribed time as required by the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018). Such written objection or comment must therefore be submitted by no later than **17H00 on 14 July 2025**.

**Stewart Planning – Town and Regional Planners** intends to apply, on behalf of registered owner, to the Municipal Council of Walvis Bay, the Urban and Regional Planning Board and the Environmental Commissioner for permission for the following:

- **Rezoning of Erf 3171, Walvis Bay (41 Sixth Street) from “single residential” (1:300) to “general business” (bulk 1.0)**
- **Consent to proceed with development while the rezoning is ongoing, and**
- **Application for an Environmental Clearance Certificate for the proposed rezoning.**

The above application is submitted in terms of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018) and the Walvis Bay Zoning Scheme. The rezoning of land from residential to commercial use is a listed activity, and an application for an Environmental Clearance Certificate will be made in terms of the Environmental Management Act, 2007 (Act No.7 of 2007).

REZONING OF ERF 4827 (A PORTION OF ERF 4007),  
SWAKOPMUND EXTENSION 10

**Namplan Town Planning Consultants and Projects cc**, on behalf of our client, intends to apply to the Swakopmund Municipal Council for:

**Rezoning of Erf 4827 (a portion of Erf 4007), Swakopmund Extension 10 from “general business” to “general industrial”.**

Erf 4827 currently measures 2641m<sup>2</sup> in extent and is located in John Otto Nankudhust Street in Swakopmund Extension 10. The erf currently accommodates a large warehouse with associated offices on the property. The reason for the proposed rezoning stems from the fact that Erf 4827 currently accommodates a “general business” and our client, in future want to make use of the property for storage purposes as well as metal fabrication. A “general business” zoning does not allow for such uses on the property as a primary right. Once the rezoning is approved, the above mentioned uses will be a primary right on the property.

Take note that –

- (a) The plan of the erf can be inspected at the Public Notice Board of the Swakopmund Municipality located on the corner of Rakutoka and Daniel Kamho Streets; and
- (b) Any person having objections to the proposed rezoning or consent or who wants to comment thereon, may lodge such objections and comments, together with the grounds thereof, in writing and addressed to the Chief Executive Officer of the Swakopmund Municipality and the applicant within 14 days of publication of this notice.

Written objection must be forwarded within the prescribed time as required by the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018). Such written objection or comment must therefore be submitted by no later than **17h00 on 14 July 2025**.

REZONING OF ERF 4924, WINDHOEK EXTENSION 8

**Du Toit Town Planning Consultants**, are applying on behalf of the owners of Erf 4924, No. 57 Andimba Toivo ya Toivo Street, Windhoek Extension 8 in terms of the stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), to the Windhoek City Council and the Urban and Regional Planning Board for:

- **Rezoning of Erf 4924, No. 57 Andimba Toivo ya Toivo Street, Windhoek Extension 8 from “residential” with a density of 1:900 to “office” with a bulk of 0.4;**
- **Consent in terms of section 23(1) of the Windhoek Town Planning Scheme to allow for an additional floor area, in terms of the Council’s Policy, which shall be devoted solely to residential use in the form of dwelling units; and**
- **Consent to use the erf/existing buildings according in terms of the new zoning while the rezoning is in process.**

Erf 4924 is located along the northern side of Andimba Toivo ya Toivo Street, opposite Suiderhof Primary School. It is about 360m west of the three-way stop with Babie Street (at Kleine Professor School) and 320m east of the four-way stop with Bloekom Street. The Erf is 1482m<sup>2</sup> in extent and zoned ‘residential’ with a density of 1:900.

It is the intention of the client to use the erf for office purposes for their own offices, specialising in business software programming. With a bulk of 0.4, an office building of ±592,8m<sup>2</sup> can be developed, should the owners wish to do so and an additional 296,4m<sup>2</sup> of residential floor area if consent is granted. Consent to allow for an additional floor area, in terms of the Council’s Policy, which shall be devoted solely to residential use in the form of dwelling units is also sought.

Erf 4924, Windhoek Extension 8 falls within the Windhoek Extension 8 (Suiderhof Policy Area) for higher residential with a density of 1:500. However, there is sufficient merit to support the rezoning of the erf to ‘office’ due to the evolving character of the surrounding area and compatibility with surrounding developments, Draft urban structure plan/existing policy areas and the locality along arterial road/major connector roads and Council Policy on establishment of business uses along arterials.

Access to Erf 4924, Windhoek Extension 8 remains from Andimba Toivo ya Toivo Street. Due to the location opposite the school, it is proposed that the access be limited to a left-in and left-out only.

Any person objecting to the proposed use of land as set out above may lodge such objection together with the grounds thereof with the City Council (the Urban Planner Town House, Fifth Floor, Room 516) and the applicant within 14 days of the last publication of this notice (final date for objections is **22 July 2025**).
