COVID-19 Regulations **Proclamation 9 of 2020**

[Published in Government Gazette 7159 on 28 March 2020](#)

Commenced on 28 March 2020

**[This is the version of this document from 17 April 2020
and includes any amendments published up to 2 May 2025.]**

[Amended by [COVID-19 Regulations: Amendment \(Proclamation 13 of 2020\)](#) on 17 April 2020]

Under the powers vested in me by Sub-Article (5) of Article 26 of the Namibian Constitution, I, subsequent to having declared by Proclamation No. 7 of 18 March of 2020 that a State of Emergency exists in the whole of Namibia following a worldwide outbreak of the disease known as Coronavirus Disease 2019 (COVID-19), make the regulations set out in the Schedule.

Given under my Hand and the Seal of the Republic of Namibia at Windhoek, this 28th day of March, Two Thousand and Twenty.

Hage G. Geingob

President

1. Definitions

In these regulations -

"authorised officer" means -

- (a) the Director referred to in section 32 of the Disaster Risk Management Act, 2012 (Act [No. 10 of 2012](#));
- (b) a member of the Namibian Police as defined in section 1 of the Police Act, 1990 (Act [No. 19 of 1990](#));
- (c) a member of the Defence Force as defined in section 1 of the Defence Act, 2002 (Act [No. 1 of 2002](#));
- (d) a correctional officer as defined in section 1 of the Correctional Service Act, 2012 (Act [No. 9 of 2012](#));
- (e) an immigration officer as defined in section 1 of the Immigration Control Act, 1993 (Act [No. 7 of 1993](#));

- (f) an officer as defined in section 1 of Customs and Excise Act, 1998 (Act [No. 20 of 1998](#)) charged with the responsibility of enforcing the customs and excise legislation; and
- (g) any other staff member designated or person appointed as an authorised officer under section 32 of the Disaster Risk Management Act, 2012 (Act [No. 10 of 2012](#));

“**COVID-19**” means the coronavirus disease of 2019 which is caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2);

[definition of “COVID-19” inserted by section 2(a) of [Proclamation 13 of 2020](#)]

“**critical services**” means the services listed as critical services in Annexure B;

[definition of “critical services” substituted by section 2(b) of [Proclamation 13 of 2020](#)]

“**essential goods**” means the goods listed as essential goods in Annexure C;

[definition of “essential goods” inserted by section 2(c) of [Proclamation 13 of 2020](#)]

“**head of the institution**” means the administrative head of a public institution and the chief executive officer or the equivalent of a chief executive officer of a private institution;

[definition of “head of the institution” substituted by section 2(d) of [Proclamation 13 of 2020](#)]

“**higher education institution**” means a higher education institution as defined in section (1) of the Higher Education Act, 2003 (Act [No. 26 of 2003](#));

“**Immigration Control Act**” means the Immigration Control Act, 1993 (Act [No. 7 of 1993](#));

“**institution**” means a public or private institution that is engaged in the provision, distribution, supply or sale of essential goods or critical services;

[definition of “institution” substituted by section 2(e) of [Proclamation 13 of 2020](#)]

“**liquor**” means -

- (a) any spirituous liquor or any wine or beer containing three per cent or more by volume of alcohol, excluding methylated spirit;
- (b) tombo or any other fermented, distilled, spirituous or malted drink, traditional or non-traditional, which contains three per cent or more by volume of alcohol; or
- (c) any drink or concoction which the Minister, under section 1 of the Liquor Act, 1998 (Act [No. 6 of 1998](#)), has by notice in the Gazette declared to be liquor,

excluding any preparation which is intended or manufactured for medical purposes;

[definition of “liquor” inserted by section 2(f) of [Proclamation 13 of 2020](#)]

“**lockdown**” means the prohibition or restriction on the movement of persons or goods or services or on the conducting of certain social, economic or other activities during the period of lockdown;

[definition of “lockdown” substituted by section 2(g) of [Proclamation 13 of 2020](#)]

“**period of lockdown**” means the period referred to in regulation 3;

[definition of “period of lockdown” inserted by section 2(h) of [Proclamation 13 of 2020](#)]

“**quarantine**” means separating asymptomatic individuals potentially exposed to a disease from non-exposed individuals in such a manner as to prevent the possible spread of an infection or contamination; and

“**school**” means a school as defined in section 1 of the Education Act, 2001 (Act [No. 16 of 2001](#));

[definition of “school” deleted and inserted after definition of “quarantine” by section 2(i) of [Proclamation 13 of 2020](#)]

“these regulations” include directives issued under regulation 14.

[definition of “these regulations” inserted by section 2(j) of [Proclamation 13 of 2020](#)]

“vehicle” means any motor vehicle, aircraft or vessel.

2. Application of regulations

- (1) The provisions of these regulations apply to the whole of Namibia during the period of lockdown.
- (2) If there is a conflict between the provisions of these regulations and any other law the provisions of these regulations prevail.

[regulation 2 substituted by section 3 of [Proclamation 13 of 2020](#)]

3. Period of lockdown

The country wide lockdown starts from 23:59 on 17 April 2020 and ends at 23:59 on 4 May 2020.

[regulation 3 substituted by section of 4 [Proclamation 13 of 2020](#)]

4. Closure of schools and higher education institutions

All schools and higher education institutions in Namibia must remain closed during the period of lockdown, but the closure of schools and higher education institutions does not prevent -

- (a) in the case of a state school, the relevant minister responsible for education; and
- (b) in any other case, the governing bodies of schools and institutions,

from employing other alternative forms of learning that do not involve the physical presence of learners or students at the schools or institutions.

[regulation 4 substituted by section 5 of [Proclamation 13 of 2020](#)]

5. Public gatherings

- (1) For the purpose of this regulation, a “public gathering” is a gathering of more than 10 persons for a collective purpose, but does not include a situation where -
 - (a) such number of persons coincidentally find themselves at a specific place at the same time; or
 - (b) all persons at the gathering are members of the same household gathered at their place of residence.

[subregulation (1) substituted by section 6(a) of [Proclamation 13 of 2020](#)]

- (1A) During the period of lockdown all public gatherings are prohibited, except where a gathering is for -
 - (a) persons attending a funeral in which case the persons gathered may not exceed 10 persons;
 - (b) meetings of a governmental institution at national, regional and local levels or the Cabinet or the Parliament, where the matter to be addressed at the meeting is so critical that it cannot be postponed or whenever a meeting is required to be held by any law; or
 - (c) the purpose of conducting of, or engaging in, any activity in connection with the provision of critical services or essential goods as contemplated in any provision of these regulations.

[subregulation 1(A) inserted by section 6(b) of [Proclamation 13 of 2020](#)]

- (1B) Persons who gather in the circumstances referred to in subregulations (1) and (1A) must at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in and under these regulations.

[subregulation 1(B) inserted by section 6(b) of [Proclamation 13 of 2020](#)]

- (2) An authorised officer may instruct a public gathering to disperse and may use all reasonable measures to cause a public gathering to disperse.
- (3) A person who during the period of lockdown facilitates, instigates or organises a public gathering, commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.
- (4) A person who fails or refuses to obey an instruction issued under subregulation (2) commits an offence and is on conviction liable to the penalties provided for in subregulation (3).

6. Prohibition on movement of persons and goods within zone or between zones

- (1) For purposes of these regulations, Namibia is divided into zones specified in Annexure A.
- (2) During the lockdown period, a person may not enter into or depart from one zone to another zone, except that this provision may not be construed as preventing a person from movement within the same zone in which he or she is located as long as that person complies with the requirements of these regulations relating to the movement of persons and goods.
- (3) A person who contravenes or fails to comply with subregulation (2) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.
- (4) If an authorised officer finds a person under circumstances which create a reasonable suspicion that the person is likely to contravene subregulation (2), that authorised officer may instruct the person to stop the journey in question and failure to obey such an instruction is deemed to be a contravention of, or failure to comply with that subregulation, and that person is liable to the penalties provided for in subregulation (3).
- (5) A person -
- (a) who holds a permit referred to in subregulation (6) does not contravene subregulation (2) if he or she enters into or departs from a zone as contemplated in that subregulation; and
 - (b) referred to in subregulation (7) does not contravene subregulation (2) if he or she enters into or departs from a zone as contemplated in that subregulation.
- (6) If a person wishes to enter into or depart from a zone for -
- (a) purposes of receiving essential medical treatment;
 - (b) purposes of attending a funeral of a family member, an acquaintance or a dependant;
 - (c) purposes of assisting a family member, an acquaintance, dependant who is ill or otherwise suffers from a distressing situation;
 - (d) any other reason which an authorised officer considers sufficient to warrant the entering into or departing from the zone.
- that person must obtain a permit from an authorised officer nearest to that person or at the point of entry into or exit from a zone, authorising entry into or departure from a zone or travel between zones which would otherwise have been a contravention of subregulation (2).
- (7) A person is exempted from the requirement of obtaining a permit to enter or depart as contemplated in subregulation (6), if that entering or departure is necessary for purposes of -
- (a) transporting essential goods;

- (b) performing an action necessary for the enforcement of law or public order;
- (c) facilitating the distribution of food or other necessities of life;
- (d) maintaining or repairing infrastructure necessary or useful for the provision of essential goods or critical services; or
- (f) performing a critical service that cannot reasonably be postponed.

[regulation 6 substituted by section 7 of [Proclamation 13 of 2020](#)]

7. Prohibition relating to entry into Namibia

- (1) Subject to subregulation (2) and (3), every person who -
 - (a) is not a Namibian citizen;
 - (b) does not hold a permanent residence permit for Namibia;
 - (c) is not domiciled in Namibia or otherwise lawfully resident in Namibia;

[paragraph (c) substituted by section 8 of [Proclamation 13 of 2020](#)]

 - (d) is not part of team of medical personnel that is required to provide medical services in Namibia to alleviate the COVID-19 pandemic;
 - (e) is not a member of the diplomatic or consular staff of a country that is accredited to Namibia or in transit to another country; or
 - (f) is not a spouse or child of a person referred to in paragraphs (a) to (e), must, during the period of lockdown, be refused entry into Namibia under section 10 of the Immigration Control Act.
- (2) Subject to the Immigration Control Act, a person who -
 - (a) is a driver of a vehicle transporting goods;
 - (b) performs any service relating to the operation of the vehicle referred to in paragraph (a) ; or
 - (c) performs a necessary service relating to such transport referred to in paragraph (a),

in the course of business or trade or commerce may be allowed to enter Namibia during the period of lockdown if such entry is otherwise lawful.
- (3) Despite the provisions of subregulation (1), a person who does not fall under any of the categories referred to in that subregulation may be allowed to enter into Namibia if that person complies with or meets such requirements as may be determined by the Minister responsible for immigration in directives issued under these regulations or pursuant to the Immigration Control Act.

8. Quarantine

- (1) Any person who enters Namibia as contemplated in regulation 7 may be admitted on condition that that person complies with such quarantine arrangements as may be agreed between that person and an authorised officer that authorises the entry of that person into Namibia.
- (2) The provisions incorporated into these regulations by regulation 15, relating to the enforcement of quarantine, are applicable to a person referred to in subregulation (1).

9. Restriction of movement from places of residence

- (1) During the period of lockdown a person may not leave his or her place of residence, except for any of the following reasons -
 - (a) performing a critical service;

- (b) obtaining essential goods;
 - (c) seeking medical assistance;
 - (d) to attend a funeral of a family member, an acquaintance or a dependant, but subject to regulation 5(1A) and (1B);
 - (e) visits to pharmacies, food supply stores, courts, banks or other providers of essential goods or critical services;
 - (f) for physical exercise either alone or in groups of not more than three persons; or
 - (g) for any other reason that is justifiable in the circumstances;
- (2) An authorised officer may instruct a person to refrain from doing an act or engaging in conduct which constitutes or is likely to constitute a contravention of, or failure to comply with, any provision of subregulation (1).
- (3) A person who fails or refuses to comply with an instruction issued under subregulation (2) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

[regulation 9 substituted by section 9 of [Proclamation 13 of 2020](#)]

10. Critical services

- (1) The services listed in Annexure B are critical services.
- (2) The President may by way of amendment to these regulations amend Annexure B, by adding a service as a critical service or by removing a service listed as a critical service.
- (3) The head of the institution involved in the provision of a critical service or a person delegated by the head of the institution must determine -
- (a) the critical service to be performed during the period of lockdown; and
 - (b) the staff members who must perform the critical service during the period of lockdown.

[subregulation (3) substituted by section 10(a) of [Proclamation 13 of 2020](#)]

- (4) After making a determination in terms of subregulation (3), the head of the institution or a person contemplated in that subregulation must issue a document to every staff member who is to perform the critical service.
- (5) The document referred to in subsection (4) -
- (a) must specify the name and surname of the staff member, the identification number of the staff member and the critical service and the name of the institution in sufficient detail; and
 - (b) be signed by the head of the institution or the person.
- (6) A person performing a critical service must show the document issued to him or her in terms of subregulation (5) to an authorised officer or any person in relation to whom he or she may seek to perform a function.
- (7) An authorised officer may screen a person, who is performing or is required to perform a critical service, for COVID-19.

[subregulation (7) substituted by section 10(c) of [Proclamation 13 of 2020](#)]

- (8) The head of an institution must ensure that persons who perform critical services in that institution at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in or under these regulations.

[subregulation (8) added by section 10(c) of [Proclamation 13 of 2020](#)]

- (9) A person who contravenes or fails to comply with subregulation (6) or who refuses to be screened as contemplated in subregulation (7) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

[subregulation (9) added by section 10(c) of [Proclamation 13 of 2020](#)]

- (10) For the purposes of this regulation, provision of a critical service or performing a critical service includes the provision of essential goods or critical services to any person.

[subregulation (10) added by section 10(c) of [Proclamation 13 of 2020](#)]

11. Prohibitions relating to liquor

- (1) During the lockdown period, a person may not -
- (a) sell liquor; or
 - (b) purchase liquor.
- (2) A person who contravenes subregulation (1) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or imprisonment for a period not exceeding six months or to both such fine and such imprisonment.
- (3) An authorised officer may, without a warrant, seize any liquor that is suspected to have being sold or has been purchased in contravention of this regulatin and the seized liquor must, subject to necessary changes, be dealt with in accordance with the provisions of the Liquor Act, 1998 (Act [No. 6 of 1998](#)) as if it were liquor seized in terms of that Act.

[regulation 11 substituted by section 11 of [Proclamation 13 of 2020](#)]

12. Provisions relating to certain operations and closure of certain businesses

- (1) During the period of lockdown -
- (a) all businesses and other entities must cease operations, except for any business or entity involved in the manufacturing, supply or provision of essential goods or critical services, including the importation and exportation of essential goods or equipment and goods necessary for the provision of critical services;
 - (b) all shops and businesses must be closed, except for any shop or business that sells essential goods or provides critical services;
 - (c) all open markets, informal trading activities, shebeens, bars, pubs and nightclubs must be closed, except for -
 - (i) any open market where essential goods or critical services are sold; or
 - (ii) an informal trader that sells essential goods or provides a critical service;
 - (d) restaurants, cafés and coffee shops may remain open: Provided that they only provide take away services.
- (2) During the period of lockdown, any business entity, including a retail trader that is -
- (a) registered with the Business and Intellectual Property Authority established by the Business and Intellectual Property Authority Act, 2016 (Act [No. 8 of 2016](#)); and

- (b) involved in the manufacturing, distribution, supply or provision of essential goods or critical services,

must, in the manner and within the period set out in directives issued under regulation 14, obtain from the ministry responsible for trade, a confirmation of registration as a business that engages in the provision of essential goods or a critical service.

- (3) Heads of institutions of businesses and entities which are operating during the period of lockdown must ensure that persons that access the essential goods or critical services at the business premises or places of the institutions and entities adhere to measures to combat, prevent and suppress the spread of COVID-19.
- (4) A person who contravenes or fails to comply with subregulation (1) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

[regulation 12 substituted by section 12 of [Proclamation 13 of 2020](#)]

13. Judicial proceedings

- (1) For the purpose of combating, preventing and suppressing the spread of COVID-19, the Chief Justice may, during the period of lockdown, issue directions in respect of all courts in Namibia.
- (2) Directions issued under subregulation (1) must be regarded, and have the effect, as directives issued under regulation 14.

[regulation 13 substituted by section 13 of [Proclamation 13 of 2020](#)]

14. Directives

- (1) The President may authorise a minister to issue directives for the purpose of -
 - (a) supplementing or amplifying on any provision of these regulation; or
 - (b) ensuring that the objectives of these regulations are attained.
- (2) A directive issued under this regulation has the force of law and may deal with any matter that is within the ambit of any legislation or other law that is administered by the Minister concerned.
- (3) Any directive issued under this regulation must be -
 - (a) referred to the Attorney-General for approval; and
 - (b) published in the *Gazette*,for it to have the force of law.
- (4) A directive issued in terms of these regulations becomes effective on the date of its publication in the *Gazette*.
- (5) A directive may create offences for contraventions of, or failure to comply with, the directive and provide for penalties of a fine not exceeding N\$2 000 or imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

15. Applicability of Act [No. 1 of 2015](#)

- (1) Despite the provisions of section 96 of the Public and Environmental Health Act, 2015 (Act [No. 1 of 2015](#)), the provisions of Part 3 of that Act are, for purposes of these regulations, brought into operation.

[subregulation (1) substituted by section 14(a) of [Proclamation 13 of 2020](#)]

- (1A) In order to attain the objectives of subregulation (1), any provision of the Public Health Act, 1919 (Act [No. 36 of 1919](#)) that is inconsistent with any provision of Part 3 of the Public and Environmental Health Act, 2015 (Act [No. 1 of 2015](#)) is suspended to the extent of the inconsistency during the period that this regulation is in force.

[subregulation (1A) inserted by section 14(b) of [Proclamation 13 of 2020](#)]

- (2) Despite the provisions of section 22(2) of the Public and Environmental Health Act, 2015 (Act [No. 1 of 2015](#)) the disease caused by the virus known as Covid-19 is deemed to be a formidable epidemic disease and it is deemed that the threatened outbreak of the said disease necessitates the measures referred to in section 29(1) of that Act.

16. Offences and penalties

- (1) A person commits an offence if that person -
- (a) not being an authorised officer, by words, conduct or demeanour falsely represents himself or herself to be an authorised officer;
 - (b) hinders, obstructs or improperly attempts to influence an authorised officer when exercising or performing a power or function conferred or imposed by or under these regulations or another law;
 - (c) furnishes or gives false or misleading information to an authorised officer;
 - (d) does anything calculated to improperly influence an authorised officer concerning a matter connected with the functions of the authorised officer; or
 - (e) publishes, through any form of media, including social media -
 - (i) any false or misleading statement about or in connection with the COVID-19; or
 - (ii) any statement that is intended to deceive any other person about the COVID-19 status of any person or measures to combat, prevent and suppress COVID-19 as specified in and under these regulations.

[subregulation (1) substituted by section 15 of [Proclamation 13 of 2020](#)]

- (2) A person convicted of an offence in terms of subregulation (1) is liable to a fine not exceeding N \$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

17. Regulations to bind State

These regulations bind the State.

18.

[regulation 18 repealed by section 16 of [Proclamation 13 of 2020](#)]

Annexure A (Regulation 6(1))

Zones

1. Zone 1 consisting of the Zambezi region.
2. Zone 2 consisting of the Kavango East and Kavango West regions.
3. Zone 3 consisting of the Oshana, Oshana West and Oshana East regions.
4. Zones 4 consisting of the Omusati region.

5. Zone 5 consisting of the Otjozondjupa and Omaheke regions, but excluding the area which forms part of Zone 6.
6. Zone 6 consisting of the Khomas region together with -
 - (a) the local authority areas of Rehoboth and Okahandja; and
 - (b) the tarred road connecting Windhoek and Okahandja and the tarred road connecting Windhoek and Rehoboth, as well as the strips of five kilometers on either side of the tarred roads.
7. Zone 7 consisting of the Erongo region.
8. Zone 8 consisting of the !Karas region.
9. Zone 9 consisting of the Hardap region, but excluding the area which forms part of Zone 6.
10. Zone 10 consisting of the Kunene region.

[Annexure A substituted by section 17 of [Proclamation 13 of 2020](#)]

Annexure B (Regulation 10(1))

Critical services

Part 1

1. Ambulance services
2. Casualties services
3. Theatre Services
4. Intensive Care Unit (ICU) services
5. Hospital Wards
6. Laboratory Services
7. Pharmaceutical services
8. Dental Services
9. Radiography services
10. Physiotherapy services
11. Mortuary services
12. Medical services including medical specialised services
13. Hospital Kitchen Services
14. Hospital laundry services
15. Emergency management services
16. Disaster management services
17. Potable water services
18. Waste water management services
19. Scientific services
20. Electricity distribution services

21. Electricity operation services
22. Electricity maintenance services
23. Electricity transmission services
24. Electricity network operation services
25. Electricity system operation services
26. Electricity system security and planning services
27. Electricity engineering services
28. Electricity energy trading services
29. Air navigation services
30. Air traffic management services
31. Communication navigation and surveillance system services
32. Search and rescue services
33. Aeronautical information services
34. Meteorological services for air navigation services

Part 2

1. Agriculture and forestry

Agricultural production and value chains (animal husbandry, agronomic and horticulture) supply related operations, including farming, veterinary and phyto-sanitary provider services, pest control services, feed and chemical and fertilizer remedies providers. Millers and logistics services.

2. Fishing

Harvesting of fish (including artisanal fishing other than for leisure), cultivation of fish and value chain activities relating to fish, as part of food production for Namibia and for export; maintenance of fishing vessels and maintenance of fishing processing plants.

3. Mining and quarrying

Mining and related activities to maintain mining operations including critical maintenance work on plant and equipment. Normal mining operations, including value chain activities will be allowed, provided that mining companies are subject to imposition of public health measures.

4. Manufacturing

Manufacturing of health related products, hygiene and sanitary related products, supplies, devices, equipment, and medicines, including complementary health products and supplements; food, non-alcoholic beverages and essential products, as well as essential inputs thereto. This includes production for exporting the same product categories. Production for disposable health and hygiene and sanitary related products, as well as for the production of packaging for essential health and food supply chains. Food, beverages and essential goods manufacturing and processing facilities, to the extent they are supporting essential or critical business continuity services to fight COVID-19.

5. Electricity, gas, steam and air conditioning supply

Public and private organisations, their staff and service providers essential to the generation, transmission and distribution of electricity, fuel, gas, steam and air conditioning will need to continue to operate. This includes local authorities and regional councils, and the suppliers of logistics, feedstock and maintenance will be required to continue to operate and provide security of electricity supply.

6. Water supply, purification, desalination, sewerage, waste management and remediation activities

Public and private organisations, their staff and service providers essential to the security of supply of bulk and potable water and sanitation must continue to operate and provide vital water and sanitation services. This includes local authorities and regional councils and those involved in the supply of materials, chemicals and related equipment.

7. Construction

Any maintenance support requirements for retailers, manufacturers producing essential goods, support to medical services; any construction that cannot be reasonably postponed; plumbing and electrical services, security installations and maintenance, water treatment and sewerage. Building of medical infrastructures and quarantine camps in support of essential goods and critical services to fight COVID-19.

8. Wholesale and retail trade, repair of motor vehicles and motorcycles

Retail, wholesale, supermarkets, the open markets and informal traders referred to in regulation 12(1)(c)(i) and (ii), home kiosks for food and essential goods. Essential hygiene goods include: toilet paper, cleaners, sanitizers and disinfectants, personal hygiene products, and essential supplies for those taking care of the sick and elderly and in order for people to remain healthy. All services related to the repair of motor vehicles and motorcycles to continue in as far as are providing support to the fight of COVID-19.

9. Transportation, logistics and storage

Warehousing, transport (including courier services), distribution, cold storage and logistics for essential goods, production inputs and health related goods. This includes operations at all entry points. Humanitarian and relief functions in the fight of COVID-19 will be permitted.
