The State emblem of the Republic of Tajikistan represents the image of a stylized crown and a semicircle consisting of seven stars in sunbeams, the sun rising from behind mountains covered with snow and framed by wheat ears to the right and by cotton twigs with open bolls to the left. The crown is interweaved with striped ribbon at the top, at the lower sector is located an open book on the prop. As regards colours of the State emblem of the Republic of Tajikistan, the crown, the sun, the mountains, the wheat ears, the book and the prop are gold, stems and leaves of cotton are green, ribbon stripes are red, white and green; the book cover is red.

The flag of the Republic of Tajikistan consists of three colours which are disposed in the following order: red, white and green with a goldish crown and seven stars above it.

The flag's length is two times longer than the width.

The width of white colour is 1, 5 more than red and green colours.

* * * * *

L'emblème d'Etat de la République du Tadjikistan représente une couronne stylisée surmontée d'un demi cercle constitué de sept étoiles sur des rayons de soleil, le soleil se levant derrière des montagnes couvertes de neige et étant encadré d'épis de blé sur la droite et, sur la gauche, de branches de cotonnier avec des capsules ouvertes. La couronne est entrelacée dans la partie supérieure d'un ruban formé de trois bandes et, dans le bas, figure un livre ouvert sur un support.

L'emblème a les couleurs suivantes : la couronne, le soleil, les montagnes, les épis de blé, le livre et son support sont dorés; les tiges et les feuilles de cotonnier sont vertes; les bandes du ruban sont rouge, blanche et verte; la couverture du livre est rouge.

Le drapeau de la République du Tadjikistan est de trois couleurs qui sont disposées horizontalement dans l'ordre suivant : rouge, blanc, vert avec au milieu sept étoiles dorées au-dessus d'une couronne dorée, la longueur du drapeau étant le double de sa largeur.

La largeur de la couleur blanche est une fois et demie plus grande que celle des couleurs rouge et verte.

DISPOSIZIONI IN MATERIA DI DISCIPLINA
DEI TITOLI DEI METALLI PREZIOSI

A norma della legge vigente in Italia in materia di disciplina dei Titoli dei metalli preziosi (legge 5 febbraio 1934, n. 305), tra l'altro, sui metalli preziosi, greggi o lavorati, anche di importazione, deve essere apposto, a cura dei commercianti e dei fabbricanti interessati, uno speciale contrassegno, detto « marchio del produttore ».

Nella tabella contenuta nella pagina seguente sono rappresentati tali contrassegni, che vengono impressi mediante appositi punzoni forniti dalla Zecca, e sono attribuiti dagli uffici provinciali metrici e del saggio, competenti per territorio, ai singoli commercianti o fabbricanti che ne facciano richiesta. I contrassegni sono costituiti dalla sigla della rispettiva provincia (corrispondente a quella automobilistica) e da un numero (corrispondente al numero progressivo di iscrizione, assegnato dallo stesso Ufficio alla Ditta richiedente, risultante da apposito registro), il tutto contenuto in un contorno a forma di losanga tronca ai due angoli acuti opposti.
