Government Notice

MINISTRY OF LABOUR

No. 135

1999

DECLARATION OF REGISTERED COLLECTIVE AGREEMENT RELATING TO THE CONSTRUCTION INDUSTRY TO BE BINDING ON EMPLOYEES AND EMPLOYERS IN THAT INDUSTRY: LABOUR ACT, 1992

Under section 70(1) of the Labour Act, 1992 (Act 6 of 1992), and at the request of the Metal and Allied Namibian Workers' Union (MANWU) and the Construction Industries Federation of Namibia (CIF), I hereby declare the provisions of the registered collective agreement set forth in the Schedule below-

- (a) to be binding upon the Construction Industries Federation of Namibia and Metal and Allied Namibian Workers' Union and all employees who are members of the said Federation or Union; and
- (b) except clauses 1 and 2 of that agreement, to be binding upon all other employers and employees in the construction industry in Namibia.

with effect from the date of this notice and for the period ending 31 March 2000.

A. TOIVO YA TOIVO MINISTER OF LABOUR

ı,

Windhoek, 26 April 1999

SCHEDULE

MEMORANDUM OF SUBSTANTIVE AGREEMENT

by and between

CONSTRUCTION INDUSTRIES FEDERATION OF NAMIBIA (hereinafter referred to as "the Federation")

and

METAL AND ALLIED NAMIBIAN WORKERS UNION (hereinafter referred to as "the Union")

Following successful negotiations by representatives of the Federation and the Union, agreement has been reached on the following issues:

- A. The Union and the Federation intended this agreement to be a binding contract.
- B. Both the Union and the Federation warrant that they are authorised to act and enter into this agreement on behalf of their members.
- C. Both parties agree that this is a collective agreement. All further negotiations are to be channelled through the Federation.
- D. That Government Notice No. 272 published in Government Gazette No. 1752 of 12 December 1997 be amended in accordance with this agreement.

1. IMPLEMENTATION DATE

The Agreement shall come into operation on 1 April 1999 and remain in force until 31 March 2000, which date may be extended until a new agreement is reached.

2. APPLICATION

This Agreement shall be observed in the Construction Industry in Namibia by all employers who are members of the Federation and by all employees who are members of the Union.

It was furthermore agreed to submit the Agreement to the authorities for registration and to extend it to the whole Construction Industry in terms of section 70 of the Labour Act, 1992.

6.	VA Tile / Carpet Layer	•
	VA tiles to floor	72m ² / day
	Carpet plus underfelt to floors	67,5m ² / day

6. PERFORMANCE STANDARDS

It was agreed that productivity levels are an integral part of the new agreed minimum wage rates, but for performance standards and productivity levels to be achieved, there must be normal; working conditions with sufficient back up of materials of specified quality so that production outputs can be reasonably obtained. The standards are to be agreed upon separately between individual contractors and the trade union for each individual construction project.

7. LIVING AWAY ALLOWANCE

These allowances must be paid in compliance with the provisions of Government Notice No. 18 of 1992 as published in Government Gazette No. 352 of 5 February 1992.

8. SAFETY

Saftey in accordance with Government Notice No. 156 of 1997, Labour Act 1992: "Regulations relating to the health and safety of employees at work" requirements should be at all times the prime object on construction.

9. STOP ORDER FACILITIES

Stop order facilities to be arranged for payment of monthly subscription and details will be submitted to Companies as proof of representation. Stop orders must be individually signed by the employees concerned.

10. DEFINITIONS

Unless the context indicates otherwise, any expression used in this agreement which is defined in the Labour Act, 1992, shall have the same meaning as in the Act and unless inconsistent with the context.

"Artisan" shall mean an employee employed in any trade in the Building Industry designated in terms of the National Vocational Training Act, 1994 (Act 18 of 1994), who performs any work specified in the practical training schedule prescribed under that Act in respect of that designated trade who has gained at least five years' practical experience in that particular trade;

"Coded welder" shall mean any "coded welder having the requisite qualifications and "coded" experience to weld all metals including stainless steel and aluminium, and to use all currently recognised welding techniques as contained in the training schedule of the designated trade "welder" in terms of the National Vocational Training Act, 1994 (Act 18 of 1994);

"Construction driver (dumper)" shall mean an employee who is engaged in driving a mechanical dumper and who is not required by law to be in possession of a driver's licence in order to perform such work;

1

"Construction driver (light vehicle)" shall mean an employee who is engaged in driving a motor vehicle and who is required by law to be in possession of a Code 08 driver's licence to drive such vehicle;

"Construction driver (medium vehicle)" shall mean an employee who is engaged in driving a motor vehicle and who is required by law to be in possession of a Code 08 driver's licence to drive such vehicle;

"Construction driver (heavy vehicle)" shall mean an employee who is engaged in driving a motor vehicle and who is required by law to be in possession of a Code 10 or Code 11 driver's licence to drive such vehicle;

"Construction Industry" shall, without in any way limiting the generally accepted meaning of the expression, mean the Industry in which employers and employees are associated for the purpose of constructing, altering, renovating, repairing or demolishing any building, road, irrigation work or similar work in the course of construction, alteration, renovation, repair of demolition and shall include all work incidental thereto or consequent thereon;

"Construction Mechanic Grade 2" shall mean a skilled employee engaged in the erection of construction plant and the carrying out of minor maintenance work in mechanical equipment and machines such as cranes, jib-hoists, earth-moving equipment, motor vehicles, mechanical dumpers, tractors, concrete mixers or similar equipment and machines;

"Construction plant operator" shall mean an employee who is engaged in the operation of cranes, jib-hoists, earth-moving equipment or similar equipment;

"Labourer" shall mean an employee engaged in any work of an unskilled nature not apportioned to any other categories of employees specified herein but assisting such other categories of employees wherever necessary, although not performing the work as such other categories of employees;

"Leading hand" shall mean an employee primarily engaged in any work of a skilled nature usually performed by an artisan or a master craftsman but who may also be employed in a supervisory capacity, giving out work to other employees under his control and supervision and maintaining discipline;

"Master craftsman" shall mean an employee employed in any trade in the Construction Industry designated in terms of the National Vocational Training Act, 1994 (Act 18 of 1994);

"Semi-skilled Artisan" shall mean any employee who has had formal or informal training in his trade, but did not conduct and pass a formal trade test as prescribed by the National Vocational Training Act, 1994 (Act 18 of 1994);

"Storekeeper Grade 1" shall mean an employee who is in possession of a Grade 12 certificate and who is in charge of stocks or stores, and who is responsible for receiving, storing, packing or unpacking of goods in a store, and for dispatching goods to consuming divisions of an establishment;

"Storekeeper Grade 2" shall mean an employee who is not in possession of a Grade 12 certificate and who assists in receiving, storing, packing or unpacking of goods in a store, and in dispatching goods to consuming divisions of an establishment;

"Timekeeper Grade 1" shall mean an employee who is in possesion of a Grade 12 certificate and who is responsible for the record-keeping of the working hours of employees, and who is engaged in clerical work in connection with the payment of remuneration of employees; and

"Timekeeper Grade 2" shall mean an employee who is not in possession of a Grade 12 certificate and who assists the record-keeping of the working hours of employees and clerical work in connection with the payment of remuneration of employees.

11. SERVICE ALLOWANCE

A service allowance will be paid to every **employee** equal to 90 hours of **his/her** wage and will be paid as part of the December remuneration - payable either at the end of that month for an employee not going on leave during December, or in the case of an employee going on leave in December, on the last working day before commencement of his / her annual leave. This allowance will be calculated prorata to the portion of the year that the **employee** was in service during that specific year. Should the service of **an employee** be terminated before the end of the year, a pro-rata payment will similarly be due.

12. SHOPSTEWARD TRAINING

All Shopstewards, or Workplace Union Representatives, as provided for in section 65(5)(b) of the Labour Act of 1992, will be entitled to 7 working days paid and 7 working days unpaid leave per year for specifically approved training courses. Any further extended unpaid leave shall be negotiated with the management of the company. Such leave will be subject to availability of the employee and will have to fit in with the company activities but will not unreasonably be withheld.

13. GENERAL

ı;

The above agreement was signed by the duly authorised representative and witnesses of both parties, on the conclusion of the negotiations, who declare that no outstanding substantive demands or claims exist, which were presented for negotiation under this agreement.

Signed at Windhoek on this 16th day of April 1999
