(1) No person shall erect an abattoir in a proclaimed area without the prior written approval of the Minister.

(2) The Minister shall not give his approval under subsection (1), unless he has consulted with the
Commission.

(3) The Minister may prohibit the owner of an abattoir erected in a proclaimed area without the prior written
approval of the Minister, from using or permitting the use of such abattoir for the slaughter of animals.

11. Application for approval to erect abattoir in proclaimed area

Every application for approval to erect an abattoir in a proclaimed area shall be made to the Minister in the
prescribed manner and shall be accompanied by the prescribed amount and particulars and such other particulars

(2) The Minister shall not grant his approval in terms of subsection (1), unless he has consulted with the Commission.

(3) The Minister may by means of a written order direct a person who without the prior written approval of the Minister-
(a) has substantially altered the lay-out of an abattoir in a proclaimed area, to restore such layout within a specified period to the state in which it was before the alteration;
(b) has demolished or removed or substantially altered a building, structure or fixed equipment forming part of such abattoir, to restore such building, structure or fixed equipment within a specified period to the state in which it was before the demolition, removal or alteration;

(4) Such order shall be served upon the person referred to in subsection (3) and, if such person is not the owner of the abattoir in question, upon the owner as well.

(5) If a person in respect of whom an order referred to in subsection (3) applies, fails to perform the acts directed to be performed by such order, the Minister may perform such acts and recover the costs incidental thereto from such person.

14. Prohibition of use of abattoir in certain manner

(1) The Minister may after consultation with the Commission by written notice to the owner of an abattoir prohibit the owner to use the abattoir or to allow it to be used in any manner other than in accordance with conditions determined by the Minister and specified in such notice.

Provided that the Minister may direct the Commission, in the case of such recommendation, or the owner, in the case of such application, to give notice in a specified manner of the recommendation or application (as the case may be) and to request interested persons to submit to the Minister within a specified period representations or objections in connection with the recommendation or application.

(3) The conditions referred to in subsection (1) may also relate to -

(a) the number of units or the number of animals of a specified kind or class which may be slaughtered during a specified period at the abattoir;
(b) the kind or class of animals which may be slaughtered at the abattoir;
(c) the use of the abattoir by persons or classes of persons;
(d) the use of the abattoir for the slaughter of animals with reference to the purpose for which the products of such animals are obtained or the manner in which such products will be dealt with;
(e) the services which shall or may be performed at the abattoir;
(f) the persons by whom and the manner in which services shall or may be performed at the abattoir;
(4) If an abattoir which is in existence at the commencement of this Act has been registered in terms of the Abattoir Commission Act, 1967 (Act No. 86 of 1967), subject to conditions, the owner of that abattoir shall be deemed to have been prohibited in terms of subsection (1) to use that abattoir or to allow it to be used in any manner other than in accordance with such conditions, and such conditions shall be deemed to have been imposed in terms of that subsection.

(5) A prohibition issued in terms of subsection (1) shall be binding upon every person who at any point of time is the owner of the abattoir in question.

15. Certain notices to be displayed at abattoir

(1) The owner of an abattoir shall cause every notice issued in terms of section 14(1) or (2) in respect of that abattoir to be displayed at all times in a conspicuous place at or near the main entrance of the abattoir.

(2) A certificate of registration issued in terms of the Abattoir Commission Act, 1967 (Act No. 86 of 1967), in respect of an abattoir shall for the purposes of subsection (1) be deemed to be a notice issued in terms of section 14(1) in respect of that abattoir.

16. Minister may direct closure of abattoir in certain circumstances

(1) If the Minister is of the opinion that the closure of an abattoir is in the general interest or is necessary for the attainment of the objects of this Act, he may, after consultation with the Commission, in writing direct that such abattoir be closed with effect from a date which shall be at least ninety days after the date of such direction.

(2) A direction in terms of subsection (1) shall be served upon the owner of the abattoir in question, and copies of the direction shall be served upon every operator who on the date of the direction performs services at such abattoir.

17. Compensation payable in case of compulsory closure of abattoir

(1) If an abattoir is closed in terms of section 16, there shall be paid to the owner of such abattoir and to every operator who on the date of the direction referred to in that section, performed services at such abattoir, an amount of compensation determined by such owner and operator and the Minister by agreement.

(2) In the absence of such agreement there shall be paid to such owner or operator an amount of compensation which does not exceed an amount required to make good any actual financial loss or inconvenience caused by the closure of the abattoir: Provided that no compensation shall be paid in respect of:

(i) any indirect damage or loss of profit caused by such closure;

(ii) anything done with the object of obtaining compensation therefor;

(iii) any alteration of the abattoir in question made in conflict with the provisions of section 13(1); or

(iv) any agreement concluded in respect of the abattoir in question in conflict with the provisions of section 25(1).

(3) The amount to be paid under subsection (2) shall be determined by an appropriate court in terms of section 14 of the Expropriation Act, 1975 (Act No. 63 of 1975), and the provisions of that section and section 15 of that Act shall apply mutatis mutandis in the determination of that amount.

[Only section 4 of the Expropriation Act 63 of 1975 was ever directly applicable to South West Africa, and that section was repealed by the National Transport Corporation Act 21 of 1987 (SWA) (which was repealed in turn by the National Transport Services Holding Company Act 28 of 1998). Expropriation of land for public purposes is covered in general by the Expropriation Ordinance 13 of 1978 (SWA). However, this provision appears to make the Expropriation Act 63 of 1975 applicable to South West Africa for certain limited purposes.]

(4) No compensation shall be paid in terms of this section, unless the person who claims compensation...
submits an application in the prescribed form to the Minister and furnishes in connection with such application the prescribed particulars and such other particulars as may be required by the Minister in connection therewith.

(5) For the purposes of this section “owner” shall mean the person in whom the ownership of the abattoir in question is vested and, if the right of general control of such abattoir is vested in a person other than the person in whom the ownership is vested, that other person as well.

18. Closure of certain abattoir prohibited unless notice is given to Minister

(1) A local authority shall not close any abattoir of which it is the owner and which is situated in a proclaimed area, unless it has given to the Minister, at least 180 days before the date on which it closes such abattoir, a written notice in the prescribed form in which it has notified its intention to close that abattoir:

Provided that the Minister may in a particular case where the provisions of this subsection have not been complied with, allow the abattoir in question to be closed.

(2) The Corporation shall not close any abattoir of which it is the owner without the consent of the Minister.

19. Powers of Minister in case of closure or intended closure or disposal of certain abattoir

(1) If an abattoir in a proclaimed area has been closed, or if the owner of such abattoir notifies his intention to close or to dispose of such abattoir, the Minister may after consultation with the Commission -

(a) conclude an agreement with the owner of the abattoir in terms of which such owner undertakes to manage and conduct the abattoir for a specified period; or

(b) in writing direct the Corporation to negotiate with such owner with a view to the transfer or letting of the abattoir to the Corporation.

(2) An agreement referred to in subsection (1) may make provision for the rendering of financial assistance to the owner concerned.

20. Erection of abattoir by Corporation or by local authority or person with whom Minister has concluded agreement

(1) If the Minister after consultation with the Commission is of the opinion that the erection of an abattoir at a place situated within the area of jurisdiction of a local authority is necessary, he shall ascertain whether such authority is prepared to erect an abattoir at such place, and if such authority declares itself prepared to do so, the Minister shall conclude an agreement with such authority in terms of which such authority shall undertake to erect, either alone or in conjunction with other local authorities specified by the Minister an abattoir at such place: Provided that the Minister shall not conclude such agreement unless he has consulted with the Administrator of the province in question or the territory, as the case may be.

(2) If the Minister after consultation with the Commission is of opinion that the erection of an abattoir at a particular place is necessary and such place -

(a) is situated within the area of jurisdiction of a local authority which is not prepared to conclude an agreement with the Minister to erect an abattoir at such place; or

(b) is situated outside the area of jurisdiction of a local authority,

the Minister may order the Corporation in writing to erect, subject to such conditions as may be determined by the Minister, an abattoir at such place, or he may conclude an agreement with another person in terms of which such person undertakes to erect an abattoir at such place.

(3) An agreement concluded in terms of subsection (1) or (2) may contain conditions relating to the matters referred to in section 12(5).

(4) If a local authority with which or a person with whom the Minister has concluded an agreement in terms
of subsection (1) or (2) fails to comply with the conditions of such agreement, the Minister may in writing
direct such local authority or person to comply with such conditions within a period specified in the
direction and may, if such person fails to do so, terminate the agreement.

local authority or person referred to in subsection (4) in complying with the conditions of an agreement
terminated in terms of that subsection, unless the Minister directs otherwise.

(6) The Minister shall not issue any order to the Corporation in terms of subsection (2), except with the
consent of the Minister of Finance.

(7) If any person applies for the approval of the Minister in terms of section 10 for the erection of an abattoir
at a place situated within the area of jurisdiction of a local authority and that local authority does not,
when notice of such application is given under section 12, submit to the Minister any objection to the
errection of an abattoir at that place by such person, the provisions of subsection (1) shall not apply in
respect of the erection of the abattoir in question.

21. Fixing of certain tariffs by Minister

(1) The Minister may, on recommendation of the Commission or on the application of the owner of an
abattoir and after consultation with the Commission, from time to time fix the tariffs payable to the owner
of an abattoir or an operator in respect of the use of such abattoir or the performance of a service.

(2) A tariff fixed in terms of subsection (1) may differ in respect of different abattoirs, different classes of
abattoirs defined by the Minister, different services or different kinds or classes of animals, and may be
fixed on any basis which the Minister deems fit.

(3) A tariff fixed in terms of subsection (1) shall be made known in a manner and shall come into operation on
a date to be determined by the Minister.

(4) No person shall in respect of the use of an abattoir or the performance of a service -

   Act.

22. Orders by Minister

(1) The Minister may from time to time, after consultation with the Commission, in respect of all abattoirs
situated in a proclaimed area or a particular abattoir or specified classes of such abattoirs defined by him,
issue to a specified person or to specified classes of persons - the orders which he deems necessary for the
achievement of the objects of this Act.

(2) An order issued in terms of subsection (1) may direct
   (a) that the owner of an abattoir -
      (i) shall manage and conduct such abattoir in a specified manner;
      (ii) shall replace, remove, improve or repair equipment in use at such abattoir;
      (iii) shall provide equipment at such abattoir;
      (iv) shall erect buildings or structures at such abattoir;
      (v) shall alter, repair or demolish buildings or structures at such abattoir;
      (vi) shall alter the lay-out or construction of such abattoir;
      (vii) shall provide facilities for the performance of services at such abattoir;
(viii) shall withdraw facilities provided for the performance of services at such abattoir;

(ix) shall comply with the instructions of the code;

(b) that a person who performs a service (including the owner of the abattoir in question) -

(i) shall make use of specified equipment or facilities in the performance of such service;

(ii) shall perform such service in a specified manner or shall co-ordinate the performance of such service in a specified manner with the performance of other services performed at such abattoir;

(iii) shall comply with the instructions of the code;

(c) that a person, except an authorized operator, who performs a service shall suspend his performance of such service for a specified period or shall discontinue his performance thereof;

(d) that a person who provides facilities for the performance of a service shall withdraw such facilities;

(e) that a service may be performed only by the owner of the abattoir in question or by a specified person;

(f) that the performance of a service shall be discontinued or be suspended for a specified period:

Provided that an order issued in terms of paragraph (e) or (f) shall not preclude an authorized operator from performing a service or oblige him to discontinue or suspend his performance of a service.

(3) If an owner of an abattoir in respect of whom an order referred to in subsection (1) applies, fails to comply with such order, the Minister may cause all acts directed to be performed in terms of such order to be performed and may recover the costs incidental thereto from such owner.

(4) If any person (except the owner of an abattoir or an authorized operator) in respect of whom an order referred to in subsection (1) applies, fails to comply therewith, the Minister may by means of an order and with effect from a date specified in such order preclude such person from performing any services at the abattoir in question.

(5) The Minister may at any time amend or withdraw an order issued in terms of subsection (1) or (4):

Provided that if the owner of an abattoir in respect of whom an order referred to in subsection (2)(a) applies has commenced giving effect thereto, such order shall not be amended unless such owner consents thereto.

23. Compensation payable in case of certain orders

(1) An owner of an abattoir or an operator who performs a service at such abattoir who in terms of an order issued under section 22(1) is precluded from performing a service at such abattoir, or is directed to withdraw specified facilities, shall be paid such compensation as may be determined by such owner or operator (as the case may be) and the Minister by agreement.

(2) In the absence of such agreement there shall be paid to such owner or operator an amount of compensation not exceeding an amount required to make good any actual financial loss or inconvenience caused by complying with the order referred to in subsection (1): Provided that no compensation shall be paid in respect of -

(i) any indirect damage or loss of profit thus caused;

(ii) anything done with the object of obtaining compensation therefor;

(iii) any alteration of the abattoir in question made in conflict with the provisions of section 15(1); or

(iv) any agreement concluded in respect of the abattoir in question in conflict with the provisions of section 25(1).

(3) The amount to be paid in terms of subsection (2) shall be determined by an appropriate court in terms of
section 14 of the Expropriation Act, 1975 (Act No. 63 of 1975), and the provisions of that section and section 15 of that Act shall apply mutatis mutandis in the determination of that amount.

[Only section 4 of the Expropriation Act 63 of 1975 was ever directly applicable to South West Africa, and that section was repealed by the National Transport Corporation Act 21 of 1987 (SWA) (which was repealed in turn by the National Transport Services Holding Company Act 28 of 1998). Expropriation of land for public purposes is covered in general by the Expropriation Ordinance 15 of 1978 (SWA). However, this provision appears to make the Expropriation Act 63 of 1975 applicable to South West Africa for certain limited purposes.]

(4) No compensation shall be paid in terms of the provisions of this section unless the person claiming compensation submits an application in the prescribed form to the Minister and furnishes in connection with such application the prescribed particulars and such other particulars as may be required by the Minister.

(5) For the purposes of this section "owner" shall mean the person in whom the ownership of the abattoir in question is vested and, if the right of general control of such abattoir is vested in a person other than the person in whom the ownership is vested, that other person as well.

24. Circumstances which may be used by Minister as basis for definition of classes of abattoirs

Where a power is conferred upon the Minister by this Act to define classes of abattoirs, any of the following circumstances relating to an abattoir may be used as a basis for the definition -

(a) the number of units or animals of a specified kind or class slaughtered there during a specified period;
(b) the kind or class of animals slaughtered there;
(c) whether or not it is situated within the area of jurisdiction of a local authority or a specified kind of local authority;
(d) whether or not it is used for a public purpose;
(e) whether it is erected temporarily or for an indefinite period;
(f) whether or not a local authority or a local authority of a specified kind is the owner thereof;
(g) whether or not the Corporation is the owner thereof;
(h) whether or not the scheme is applied there;
(i) whether or not it is used to slaughter animals in order to obtain products for export; or
(j) any other circumstance which the Minister may deem fit.

(2) An agreement -

(a) concluded for an indefinite period; or
(b) which although concluded for a period of less than two years, confers on one of the parties thereto the right to extend it for an indefinite period or for a period which, if added to the period for which the agreement is concluded, exceeds two years,

shall for the purposes of subsection (1) be deemed to be an agreement concluded for a period of more than two years.

Commission.

(2) The Commission shall submit a code drawn up under subsection (1) to the Minister for his approval.

(3) The Minister shall approve such code with such amendments as he may deem fit or without any amendments and shall cause such code to be published by notice in the Gazette.

(4) The provisions of a code published in terms of subsection (3) shall, subject to the provisions of section 22, not be binding upon any person.

(5) The Commission may from time to time draw up amendments to a code published in terms of subsection (3) and may submit such amendments to the Minister for his approval.

(6) The provisions of subsection (3) shall apply mutatis mutandis in respect of any amendment submitted to the Minister in terms of subsection (5).

(5) Any person who has been summoned to give evidence at such enquiry shall be entitled to receive as witness fees from moneys appropriated by Parliament for the purpose an amount equal to the amount which he would have received as witness fees if he had been summoned to attend at a criminal trial in a
superior court held at the place specified in the summons sent to him.

(6) No person may without the permission of the Commission attend such enquiry.

(7) The Commission may for the purposes of such enquiry at any reasonable time enter upon and inspect any land or premises.

(8) The Commission may for the purposes of such enquiry direct any person to furnish it with information in the form indicated by it.

28. Levy

(1) The Minister may after consultation with the Commission from time to time impose a levy in respect of every animal slaughtered at an abattoir.

(2) A levy imposed in terms of subsection (1) shall be paid to the Minister, for the benefit of the special account, in the prescribed manner and within the prescribed period and either by the owner of the abattoir in question or an authorized operator or the person on whose behalf the animal in question was slaughtered, as may be determined in the regulations: Provided that if it is so determined that such owner or operator shall pay such levy, the regulations may provide that such levy may be recovered, in a manner determined in the regulations, by such owner or operator, as the case may be, from the person on whose behalf such animal was slaughtered.

(3) A levy imposed under subsection (1) may differ in respect of different kinds or classes of animals and different classes of abattoirs defined by the Minister: Provided that the Minister may determine that no levy shall be payable in respect of an animal or kinds or classes of animals slaughtered at classes of abattoirs defined by the Minister.

31. Inspectors

(1) The Minister may designate persons as inspectors to perform and to exercise the functions and powers
referred to in subsection (4).

(2) Every inspector shall be furnished with a certificate signed by or on behalf of the Minister and stating that he has been designated as an inspector in terms of this Act.

(3) If a person to whom a direction has been issued in terms of subsection (2) fails to comply therewith, the owner of the abattoir in question may prohibit such person from performing any services at that abattoir notwithstanding the existence of an agreement between such owner and such person whereby a right is granted to such person to use the abattoir in question for the performance of a service.

reasonable steps to prevent the act or omission.
